

A Mother's Prayer

An excerpt from the Mother's Day Sermon preached May 8, 2005
by Pastor Rene' Monette

Heavenly Father, I thank you for my children.
Thank you for entrusting these children into my care.
Help me to love them, guide them and teach them Your ways.
I know that You love them and have a plan for their life.
I know that Your plans for them are for good and not evil. (Jeremiah 29:11 Living Bible)

I pray for their salvation.
Open their eyes to the truth of Jesus Christ as Lord of their lives.
I pray their heart will always be open toward You and to their family.
I pray for my children to hear Your voice and to walk in Your ways.
Let them see that you want only good for them.
I pray about their relationships with other people.
I ask you in the name of Jesus to break every wrong relationship in their life.
I sever every wrong relationship in the heavenly realm and say that it will end quickly.
Draw to them Godly friends who will help them make wise choices.
I pray for my children to know Truth. Help them see the emptiness and futility of serving themselves and the devil.
I pray for them to be convicted of sin and their rebellion to you.
I pray for the protection and safety of their minds, bodies and spirits.
I declare every plan of the enemy concerning my children will fail.
Lord expose the truth of the enemy's plans to my children and let them see how the enemy wants to destroy them.
I pray that the sinful pleasures they are involved in will become empty and unfruitful.
I pray that they think about eternity and their witness for the Lord.
Remind them that their choices now, will affect their lives forever.

Lord, I thank you that my seed will be delivered according to Proverbs 11:21 and that my entire household would be saved according to Acts 16:31.

Thank you for your faithfulness to Your Word and to Your Covenant with me bought and paid for by the precious blood of Jesus.

In Jesus' name, Amen.
